Chula Vista Mobile Home Residents Announce Endorsements

The Chula Vista Mobile Home Park Residents' Association today announced the following endorsements for the June 3, 2008 ballot:

✓	Proposition 98: **NO**	Ends mobile home rent control
✓	Proposition 99: **YES**	Protects owner occupied homes
✓	Proposition E: **YES**	Protects our General Plan
✓	City Council, Seat 3:	Pamela Bensoussan
✓	City Council, Seat 4:	Steve Castaneda

"This election is perhaps the most important ever for residents of Chula Vista's many mobile home parks," said Dolores Dempsey, President of the Chula Vista Mobile Home Park Residents' Assn. "For that reason, we will be putting on our walking shoes to make sure that every voter in Chula Vista's mobile home parks casts their ballot to stop Proposition 98, to pass Propositions 99 and E, and to elect Pamela Bensoussan and reelect Steve Castaneda to the Chula Vista City Council." Dempsey said.

The Chula Vista Mobile Home Park Association was formed in February in anticipation of the important June 3, 2008 election and includes mobile home park resident association leaders and activists from throughout the Chula Vista Mobile Home community.
